MidwesternITE

International Director’s Update

International Director Kristi Sebastian, NC ITE

In 2020, ITE is celebrating 90 years as a transportation professional organization. Our rich history will be highlighted in our journal, website, and during the Annual Meeting in New Orleans. The history of our organization is enriched by our work to build our future.

I ended my last Director’s Update encouraging volunteerism and outreach beyond ITE into our communities to connect and inspire the next generations of transportation leaders. During our 90th year, ITE has launched a fund-raising campaign to enhance our Legacy Program which works to support students and young members. Please check out the website to learn more about our $90 for 90 Campaign, another great way to support our future transportation professionals.

The ITE 90 years theme “Celebrating the Past, Shaping the Future” is rather fitting, not only for International but especially for our District as we complete our last year as the Midwestern District. Plans are well underway for our Joint Midwestern and Great Lakes District Annual Meeting June 3rd to the 5th in Chicago. An informative technical program will pair with activities featuring our history to appreciate where we’ve been as we step into the future.

(Continued on page 2)

District President’s Message

Midwestern District President Chad Hammerl, Illinois Section

Welcome to 2020! There will be a lot of exciting things occurring this year we transition into the “new” Great Lakes District and “new” MOVITE District.

First, a quick introduction of myself. I have worked in the industry for 24 years, spending all but two of those years with Jacobs. I manage the Advanced Mobility and Highway Safety Group in the Chicago office. I have been a member of ITE since my sophomore year at Marquette University way back in the mid-1990s - yikes! I served on the Illinois ITE Board between 2009 - 2013, was the Local Arrangements Committee Chair for the 2012 Midwestern District Conference and TRB Urban Street Symposium. I was in the inaugural class of the LeadershipITE program and am currently in my third year of serving on the Midwestern District Board of Direction. Each of these ITE experiences have shaped my vision and goals for my presidential year.

(Continued on page 2)
International Director’s Update (Continued)

(Continued from page 1)

The transition to Great Lakes and MOVITE Districts affords an exciting opportunity for leaders to discuss our mission and establish a clear vision for success moving forward. Through the One ITE Initiative, the following District purposes have been identified:

- Support the overall goals and objectives of ITE
- Provide representation on the International Board of Direction
- Support and coordinate with the Sections within the District
- Support the interchange of technical and professional information
- Encourage membership participation and leadership opportunities at all levels
- Support student and younger member programs

District/Section leaders and rising leaders will be working together throughout this year to create a vision and direction for the future. As this transition year continues, I look forward to working with many leaders within our District. I would also like to hear your thoughts and ideas during this transition year.

Respectfully, Kristi M. Sebastian, PE, PTOE, Midwestern District Director

District President’s Message (Continued)

(Continued from page 1)

These goals include:

- Strengthen the ties between ITE Sections and ITE Districts,
- Increase the content on the website and newsletter, and
- Increase the % resources dedicated to the membership. This may come in the form of scholarships, awards, and programs.

The new Great Lakes and MOVITE Districts will officially be chartered starting in January 2021. There is a dedicated team working on a seamless transition – thank you for all your hard work!

As we progress through 2020 you will see the first half of the year with a focus on ending the Midwestern District on a strong footing. Towards the end of 2020 you will see an increased focus on planning for the two new Districts. This transitional theme will be the focus at the joint Midwestern District and Great Lakes District Meeting June 3rd - June 5th, 2020. I have the pleasure of sitting in on the planning meetings for this meeting and am super excited for this joint meeting. The Local Arrangements Committee had dedicated a lot of time to make this meeting EPIC!

See you in Chicago in June 2020!!!
MWITE Student Team Project Competition

The Midwestern District’s Student Activities Committee proudly presents a new activity for ALL students who will be attending the 2020 Joint MWITE/Great Lakes District Annual Meeting to be held June 3-5 in Chicago. It is the Midwestern District Student TEAM PROJECT Competition.

This competition allows student members to tackle a topic as a project team and present their solutions to a panel of professionals during the Joint Meeting. Teams comprised of four to six students will be formed. The team will organize themselves with one member designated as the project leader. The project topic will be revealed to all student teams in April in a joint webinar. The team will have the next 60 days to research the topic, develop their solution, and prepare their presentation.

If students desire they can join with another student chapter to form a project team. If a chapter does not enough interested students to form a team on their own, please let the Committee know and we can connect those students to another chapter to form a team.

The project specifics and topic will be given to interested student teams during a webinar at a later date.

When/Where? Presentations will be held on Friday morning, June 5 during the Joint Annual Meeting.

Eligibility. Any team of ITE student members. Teams are comprised of up to six students, and multiple teams can be from the same school.

Recognitions and Awards. Yes, we will have recognitions. The group of students that presents a response and/or solution judged to be the most outstanding by a committee of judges will receive $25 per student.

How do you participate? If you are interested just email your name and contact information prior to April 1st to Tyler Krage at tkrage@alliant-inc.com so that we can form teams and distribute the project topic. Pre-registration is required.

Also check out the Conference website for information and meeting registrations at www.midwestmite.org.

GENERAL RULES:
1. This will be a “shark tank” style competition.
2. A dedicated session will be provided for the student project teams to “pitch” their solution to the sharks (judges) in a presentation type format.
3. The sharks will evaluate the presentation and pitch using the criteria shown on page 4.
4. Awards for competition will be announced and presented at the Friday Luncheon.
5. Awards: First Place - The group of students that presents a response and/or solution judged to be the most outstanding by a committee of judges will receive $25 per student.

PRESENTATION RULES:
Electronic presentation in PowerPoint format.
Slide presentation will be limited to 5-10 minutes. The presentations will be followed by questions from a distinguished panel of members/officers.
A copy of the detailed presentation evaluation criteria is provided on the following page.

GOOD LUCK IN THE SHARK TANK!
**PRESENTATION EVALUATION CRITERIA**

### Quality of the “Pitch” (55 points)

<table>
<thead>
<tr>
<th>High</th>
<th>Low</th>
</tr>
</thead>
<tbody>
<tr>
<td>Clear statement of research question or relationship being investigated</td>
<td>Ambiguous or unclear statement or purpose</td>
</tr>
<tr>
<td>Logical and thorough explanation of the research</td>
<td>Illogical or inadequate explanation</td>
</tr>
<tr>
<td>All components in presentation given appropriate level of attention</td>
<td>Insufficient treatment of components</td>
</tr>
<tr>
<td>Research objectives outlined precisely</td>
<td>Research objectives not stated or unclear.</td>
</tr>
<tr>
<td>Appropriate research methodology selected and explained effectively.</td>
<td>Inappropriate research methodology or unclear methods</td>
</tr>
<tr>
<td>Significance of findings made clear.</td>
<td>No significance identified</td>
</tr>
</tbody>
</table>

### Quality of Supporting Evidence (30 points)

<table>
<thead>
<tr>
<th>High</th>
<th>Low</th>
</tr>
</thead>
<tbody>
<tr>
<td>Adequate consultation of sources; sources cited correctly</td>
<td>Inadequate literature review; sources not cited correctly</td>
</tr>
<tr>
<td>Evidence well supported by extensive primary research, evidence, and examples</td>
<td>Inadequate or no primary research, evidence, or examples</td>
</tr>
<tr>
<td>Adequate presentation of evidence and examples</td>
<td>Incomplete or questionable evidence and examples</td>
</tr>
</tbody>
</table>

### Use of Graphic Material (15 points)

<table>
<thead>
<tr>
<th>High</th>
<th>Low</th>
</tr>
</thead>
<tbody>
<tr>
<td>Effective use of figures, tables, illustrations, maps and other illustrative material</td>
<td>Little illustrative material or used ineffectively</td>
</tr>
<tr>
<td>Illustrations correctly cited, presented well</td>
<td>Poorly presented, incorrect citations</td>
</tr>
<tr>
<td>Visual material well integrated into the evidence of the argument</td>
<td>Visual material used to illustrate, not argue or as evidence.</td>
</tr>
</tbody>
</table>
2020 MWITE Student Activities

By Tyler Krage, Student Activities Committee Chair

The MWITE Student Activities Committee is proud to announce the following student activities and competitions for 2020.

SAVE THE DATE FOR MWITE DISTRICT STUDENT LEADERSHIP SUMMIT
More information to come about the Student Leadership Summit (SLS) hosted by KU in Lawrence, Kansas. In the meantime, block off your calendar for September 25-27.

DISTRICT ANNUAL MEETING EVENTS
The events will be held during the District’s Annual Conference in Chicago, Illinois, June 3-5. This meeting is planned to be a joint conference with the Great Lakes District. Visit www.midwestmite.org for more information on student events and for information on the conference venue and registration.

The student activities will be open to any student currently attending a university or college in the ITE Midwestern District, who is a member of their school’s ITE Student Chapter, or is a Student Member of ITE. The student must also be a registered participant for the Midwestern/Great Lakes Districts Joint Conference.

STUDENT POSTER COMPETITION (DURING ANNUAL CONFERENCE)
Create a poster that describes an academic project or research work. Posters can be co-authored by ITE student members, and the competition is open to any student in the Midwestern District. $400 will be awarded to each of the top three posters (1 for a graduate student; 1 for an undergraduate student; 1 for either a graduate or an undergraduate student). The poster competition will be held at the District Annual Conference on either Thursday or Friday mornings.

COLLEGIATE TRAFFIC BOWL (DURING ANNUAL CONFERENCE)
The Traffic Bowl will be held on Thursday, June 4th during the 2020 District Conference in Chicago. The District Champion will represent the Midwestern District at the 2020 International Traffic Bowl Grand Championship in New Orleans, Louisiana, USA. Team entry forms are due May 1, 2020. Send to John Davis, District Traffic Bowl Chair, email at jadavis@dmgov.org.

STUDENT TEAM PROJECT COMPETITION (PRESENTATIONS DURING ANNUAL CONFERENCE)
This competition gives Student Members an opportunity to address transportation issues in a project team manner. Teams of four to six students will be formed in advance of the Annual Conference. These teams may be comprised of individuals from the same school or from multiple schools. The teams will be given a transportation issue to address and they will have time before the conference to develop their approach to the issue. Each team will present at the District Conference to a mock city council made up of ITE leadership. Interested students should notify Tyler Krage (tkrage@alliant-inc.com), District Student Activities Co-chair, by April 1st if interested.

STUDENT PARTICIPATION COMPETITION
This year’s District conference will again feature a participation competition amongst students. Earn points by attending events and completing challenges throughout the meeting. A packet of challenges will be provided to each student at registration. The winning school will receive a special recognition. More details to follow.
The 12th (Final) Annual Midwestern District Collegiate Traffic Bowl will be held during the Joint Midwestern/Great Lakes Districts Conference in Chicago, Illinois on Thursday, June 4, 2020! The winning team will advance to the ITE Collegiate Traffic Bowl Grand Championship held during the ITE International Annual Meeting in New Orleans, Louisiana from July 21-24, 2019. We hope your school participates in this year’s traffic bowl!

More details are on page 2 of this flyer.

For rules, entry instructions, and additional information on the MWITE Traffic Bowl go to www.midwesternite.org and click on “STUDENTS.”

For conference information go to www.midwesternite.org and click on “CONFERENCES”

Contact your local ITE Section for possible financial support to offset any travel costs.

2020 MWITE Traffic Bowl Entry Dates

APRIL 1, 2020 - Due date for e-mail indicating that your school is interested. Send to John Davis, District Traffic Bowl Chair, email at jadavis@dmgov.org.

May 1, 2020 – FINAL DATE to submit entry forms; please contact John Davis for an extension.
What to expect in 2020!

For 2020, the Midwestern District is conducting a joint meeting with the Great Lakes District from June 3-5 in Chicago, Illinois.

The 2020 MWITE Traffic Bowl will be held on Thursday, June 4, 2020, during the Joint Midwestern/Great Lakes Districts Meeting. Event scheduling details will be announced in April 2020.

For this year's traffic bowl, an elimination bracket will be used that will have all teams competing in matches against two other teams with three teams advancing to the Finals! The bracket format will be announced after all schools have submitted their entry forms. A 10-question written quiz will be given to each team at the mandatory team meeting. The results of the quiz will be used to seed the teams in the bracket. The team meeting will be held on Thursday morning, June 4th. More details will be announced by April 1st.

The 2020 District Champion will represent the Midwestern District at the ITE Collegiate Traffic Bowl Grand Championship in New Orleans, Louisiana.

Remember to submit your team entries by May 1, 2020 to John Davis at jadavis@dmgov.org.
Student Competition Awards
$400 will be awarded to each of the top three posters
(1 for a graduate student; 1 for an undergraduate student; 1 for either a graduate or an undergraduate student)

General Rules
1. ITE student co-authors are permitted. Open to any ITE Student Member attending the Joint ITE Annual Meeting
2. Posters co-authored by faculty members will not be eligible for student awards.
3. The judges will evaluate the posters using the criteria on newsletter page 9. Following the poster session, the judges will convene to determine the award winners.
4. Awards for posters will be presented on Thursday, June 4th during the Traffic Bowl.

Poster Competition Registration
• If you intend to participate in this year’s competition, email John Davis at jadavis@dmgov.org by May 20, 2020.
• Also contact John, if you have any questions related to the competition or Joint Meeting.
• Students should plan to set-up their poster for display on Thursday Morning, June 4, 2020 prior to 8 AM
• Judging for the poster competition is scheduled to start on Thursday Morning, June 4, 2020 at 10:30 AM.
• The objective of the poster is to present the student’s research topic fully WITHOUT need for any explanation.
• Hints for judging criteria and successful poster are page 2.
• Full meeting information will be available at www.midwesternite.org.

Poster Production Rules
1. All text must be no smaller than 18 point font.
2. Full poster must be no larger than 44-inches by 34-inches. Clips, foam board and easels will be provided. The mounting on the foam board will not be judged.
### ABCs of Poster Production

**Attention Getting:** First good impression? Grab attention of viewer? Achieved through good lay-out, use of color, title, and other graphic devices.

**Brevity:** Makes points quickly through good visual/word balance.

**Coherence:** Logical unified statement requiring no further explanation, capable of standing alone; intellectually accessible to audience.

**Direction:** Simplicity; focus, easy to follow from point to point.

**Evidence:** Argument must be supported by evidence, referenced well and accurately.

The Joint Meeting Student House Cup started in 2017, and will continue in 2020!

Its purpose is to encourage students to experience this year’s Joint Midwestern/Great Lakes Districts Annual Conference to the fullest. Chicago will be the site of the 2020 Conference!

Your score will be combined with the other students attending the conference from your student chapter to determine an average participation score for your chapter. The chapter with the highest average score will win the House Cup and all the glory that is fitting of this high award.

Preliminary scoring criteria is on the back. Final criteria will be available at the Conference in June.

Special note: The number of students to determine the average score will be based on the number of students registered for the conference from your chapter. So get everyone attending from your chapter to participate to the fullest. - Have Fun!
ITE Diversity Scholar Application Now Available

The purpose of this program is to increase underrepresented populations participation in the transportation profession by supporting increased diversity at the undergraduate level. This program is unique in that it is much more than a scholarship. We believe that success at the university level, in particular for first generation college students, requires a multi-faceted approach, and so there are four key components to this program:

- Financial support (a total of up to $20,000 in scholarship support: up to $4,000 annually per student for up to 5 years of undergraduate enrollment)
- ITE Student Chapter engagement
- Mentoring
- Internship Opportunities

The application deadline is March 15, 2020 and all of the eligibility and application requirements are available on the ITE International Diversity Scholars page (https://www.ite.org/membership/diversity-scholars-program/). Consider sharing this information with any and all students you think would make excellent diversity scholars.

2020 ITE Awards

Each year, the Institute of Transportation Engineers (ITE) sponsors an awards program to honor outstanding achievement in transportation and distinguished service to ITE. The awards bestow local, national, and international recognition upon the recipients and increase the public’s awareness of the role and responsibilities of the transportation professional.

The awards competition includes submittals at the Chapter/Section and District levels. Nominations for District level awards were due March 1, 2020. District winners will be submitted to ITE International by April 1st and announced at the Joint Midwestern and Great Lakes District conference, June. International winners will be notified by May 1st and announced at the Joint ITE International and Southern District Annual Meeting and Exhibition, August 9-12, 2020.

Visit https://www.ite.org/professional-and-career-development/awards/ and https://midwestmite.org/resources/awards/ for updated information. The awards consist of:

**STUDENT CHAPTER AWARDS**

Previously a single award, now one chapter each will be selected for an Outstanding Student Chapter and a new Student Chapter Momentum Award. This will mirror the Section awards. The purpose of these awards is to encourage student chapters to achieve the objectives set forth in the student chapter charter and to provide a means for ITE to recognize outstanding accomplishments in such activities. STEM activities will also be incorporated into the judging criteria.

**MIDWESTERN DISTRICT STUDENT PAPER AWARD**

This award is given annually for a significant paper prepared by a student member of the Midwestern District. With the consent of the author the paper can be forwarded to ITE International as a nominee for the Daniel B. Fambro Student Paper Award.

**DANIEL B. FAMBRO STUDENT PAPER AWARD**

The Daniel B. Fambro Student Paper Award is awarded annually for a significant paper prepared by a student member of ITE. The award honors the work of Daniel B. Fambro, who was a professor at Texas A&M University and an associate research engineer at the Texas A&M Transportation Institute and passed away in (Continued on page 13)
Nominations for 2020 ITE Awards

(Continued from page 12)
1999. In naming the award in Dan’s honor, ITE recognizes his exemplary service to ITE, and his dedication to his students and the profession. The purpose of the award is to encourage ITE student members to conduct and report on independent and original research and investigation of transportation subjects and to provide a means for recognizing outstanding accomplishment in this area.

Eligibility
Any individual member of ITE who:
1. Is a student member of ITE International; and
2. Completed work providing a basis for the paper while a student member of ITE International.

Award
Award will consist of a trophy or plaque, given at the ITE Annual Meeting and Exhibit Awards Lunch. A travel reimbursement up to $1,000 to attend the meeting as well as a free Annual Meeting Registration will be given. The paper may be considered for publication in ITE Journal.

Selection Process
Award recipients shall be selected by a selection panel consisting of six members, made up of representatives designated by the following groups:
- Institute of Transportation Engineers
- American Association of State Highway and Transportation Officials
- Transportation Research Board
- Federal Highway Administration
- Intelligent Transportation Society of America
- Women’s Transportation Seminar

1. The recipient will be expected to prepare a paper on the subject of the contribution which served as the primary basis for the award or on a related subject.
2. The recipient may present the paper as a lecture at an appropriate meeting as selected and arranged for by the selection panel.
3. Arrangements for publication of the paper will be the responsibility of the Selection Panel.

The Paper may be considered for publication in ITE Journal.

ITE RISING STAR/YOUNG MEMBER OF THE YEAR PROGRAM
ITE is committed to cultivating the next generation of our profession. As such, ITE’s Rising Stars Program has been created to identify the next generation and new faces of the transportation profession. It is designed to recognize members at the District level under the age of 35 who have already made an impact on the profession, have demonstrated the ability to lead the next generation, and have implemented innovative techniques to solve transportation problems. Each year’s Rising Stars Class will consist of 10 representatives, one from each of ITE’s Districts.

SECTION/CHAPTER AWARDS
No longer a single award, now one recipient each will be selected for an Outstanding Section/Chapter Award and a new Section/Chapter Momentum Award. The awards recognize the most outstanding overall and most improved Sections/Chapters respectively. STEM activities will be incorporated into the judging criteria. Beginning in 2021 these will be Section only awards.

(Continued on page 18)
Wisconsin Section Update

Allan Pacada, Past President, Wisconsin Section

The Wisconsin (WI) Section started 2020 with a volunteering opportunity at the Wisconsin Regional Future City Competition, which took place on Saturday January 18th at the Milwaukee School of Engineering’s Kem Center. Several ITE section members helped judge the over 53 entries from middle schools for the “Best Transportation Award”. Judging was based on the team’s model and a presentation focusing on transportation. This year’s theme was ‘Clean Water: Tap Into Tomorrow’ with a task to choose a threat to their city’s water supply and design a resilient system to maintain a reliable supply of clean drinking water. Acacia City from Longfellow Middle School in Wauwatosa, Wisconsin took the honors this year.

Our first meeting of the year was the Public Service Appreciation Lunch Meeting held on January 22nd at the Great Dane on Madison’s East Side. At the meeting, Yu (Fred) Song of UW Madison was presented with the annual Harvey Shebesta Scholarship Award. The meeting also featured a presentation from guest speaker, Elizabeth Garfoot of Strand Associates, who presented on the Pleasant View Road Design Project.

The next award be awarded is for the Martin Bruening Award, which is open to both professional and student members of the Wisconsin Section and each are required to author a paper for award submission. Winners will be announced at our next section meeting in March.

For more information check out the WI Section ITE website at https://itewisconsin.org/

NCITE Section Update

Jeff Preston, President, NCITE Section

NCITE had a very busy year end to 2019 and has kept it going into 2020. Here is a recap of the Section’s recent and upcoming events.

The 2019 Section Annual Meeting was held on November 14th at TopGolf. Over 70 people were in attendance for a year in review, presentation of 2019 Section Awards, Executive Board election results, and golfing fun.

The event schedule for 2019 was capped off on December 11 with the NCITE Transportation Symposium. Attendance included over 60 members with representation from Minnesota, North Dakota, and South Dakota. The all-day session included ten presentations of varying topics with a networking event to wrap up the day.

The January Section Meeting took place on the 14th at the Crooked Pint Ale House. We had 30 plus in attendance to hear Kristine Elwood, MNDOT Assistant Commissioner for State Aid, talk about MNDOT State Aid updates and background on the Statewide Radio Communications System.

The next Section Meeting is planned for February 15th at Jax Café. Derek Leuer, Traffic Safety Engineer with MnDOT will be presenting on the 2020-2024 Strategic Highway Safety Plan (SHSP).

Additional upcoming opportunities for members include a co-sponsored Ethics Training with WTS-MN, volunteer event at the Minneapolis STEM Expo and booth volunteer at the Science Museum of MN - Civil Engineers Day.

One ITE Update

By John Davis, Great Lakes Transition Team Chair

Greetings everyone! Here is an update on the One ITE Initiative in the Midwestern and Great Lakes Districts. Transition teams have continued working to address various topics regarding the realignments of the present Midwestern and Great Lakes Districts and creation of the Missouri Valley (MOVITE) District.

The ITE International Board of Direction has approved the new charters and the bylaws for both districts - “new” Great Lakes and MOVITE. Just in case you missed it, the “new” Great Lakes District will be comprised of members in the Illinois, Indiana, Michigan, North Central, Ohio, and Wisconsin ITE sections. The “new” MOVITE District will be comprised members in the states of Arkansas, Iowa, Kansas, Missouri, Nebraska, and Oklahoma as well as Illinois Counties near St. Louis and the Quad Cities.

The realignment is part of the One ITE initiatives, which have the objectives to:

- Deliver a consistent member experience – Every ITE member should have a reasonably consistent experience in terms of access to resources, connection to other members, leadership opportunities, fees paid, representation at the District and International level, etc.
- Provide effective member support – Reducing inconsistency, eliminating bureaucracy, and streamlining operations will enhance the quality of member services and value for membership.
- Ensure the long-term viability of ITE - ITE must differentiate itself from its competitors and be the association of choice. Having a clear and consistent “brand” is essential.

NEXT STEPS FOR THE “NEW” GREAT LAKES DISTRICT

The transition team of the “new” District is continuing their work to develop procedures for district operations that will start January 1, 2021. The objective of the team is to have the procedures approved and other matters settled by June 2020 in anticipation of the start of operations at the end of the year.

Model language for section and chapter charters and bylaws has been released for consideration and adoption by each ITE section and chapter. These documents complement the revisions in the district charter and bylaws. The District Board will be reviewing and approving these charters and bylaws by fall of this year.

The process for officer elections has begun in the “new” Great Lakes District. To establish the first board for the “new” Great Lakes District, individuals from the Ohio and Indiana will be elected to serve on the Great Lakes Board of Direction as secretary and board member, respectively. These elections will be held this coming May. All present officers will be automatically nominated for the next higher office.

Also in 2020, each section will select an individual to serve on the District Board as their section’s representative to the District Board. To transition to the new Great Lakes District Board, members of the Indiana, Illinois, and Ohio sections will elect their section representatives to the District Board in 2020. These newly elected leaders will take office starting January 1, 2021. The members of the Michigan, Wisconsin, and North Central sections will be represented in 2021 by their respective representatives who are serving in 2020 on either the Midwestern or Great Lakes District Boards. They will then elect section representatives in 2021. These representatives from Michigan, Wisconsin, and North Central will take office starting January 1, 2022. All section representatives to the District Board will serve two years in their positions and will also serve on their respective section’s board. If you desire to serve in one of these roles now or in the future, please express your interest to your section’s officers.

LOGO FOR THE NEW GREAT LAKES DISTRICT

Get your design ideas together for a new logo to represent the “new” Great Lakes District. Look elsewhere in this issue for details regarding the logo design criteria and the submission process for your design concepts.

If you have any questions, please reach out to any of the current district officers or your Section Representative to the District Board (the immediate past Section President in most cases).
Logo Design Competition

The MWITE Board is holding a logo design competition!

As John Davis mentioned in his One ITE article, one objective is to have other transitional matters settled by June, 2020. One of these “other matters” is how will we brand the “new” Great Lakes District. You may recall in 2018 the District Board formed a branding subcommittee which understood that as MWITE transitioned, the following questions should be addressed:

- Is our brand recognizable?
- Do we need a new logo?
- Does the website/newsletter need improvements?
- How does our brand align with ITE International?

The MWITE Board would like to create a new logo that represents the nine states in the “new” Great Lakes District and is asking for help from our membership! The new logo will be used on all outreach material, including website, newsletter, social media, etc.

The Board will award $200 to the person with the winning logo and will reveal the new logo in June at the 2020 Midwestern/Great Lakes Joint District conference in Chicago.

The logo must meet three criteria:

- Follows ITE color and font palettes (included on pages 16 & 17)
- Incorporates the Great Lakes ITE name
- Connects to the ITE International logo

Please submit your logo designs (in .jpg or .gif format) via email by May 15 to District Treasurer Scott Poska at sposka@alliant-inc.com. If you have any questions you can contact him via email or by phone at 612.767.9369.

ITE International Awards

(District/Section Innovation Award)

This award replaces the Section/District Communications Award and recognizes the District who has advanced the most innovative new program or activity (which could be a communications-oriented initiative) over the past year. It will not be tied to volume of activity putting all Districts on a level playing field regardless of size.

Transportation Achievement Awards

The Transportation Achievement Awards may be awarded annually for excellence in the advancement of transportation to meet human needs, by entities concerned with transportation such as governmental agencies, legislative bodies, consulting firms, industry, and other organizations. Awards will be presented in the categories of transportation planning, design, operations, and safety.

District Transportation Professional of the Year Award

The Midwestern District established the Transportation Professional of the Year Award to recognize an individual who has made outstanding contributions to the Midwestern District, their Section, and ITE, or through achievements in the transportation profession.

District Transportation Professional of the Year Award

The Distinguished Member Award is awarded as an honorary designation, presented to a member of the Midwestern District who has provided outstanding and significant contributions to ITE, the District, and their Section/Chapter over a period of many years.

MWITE Endowment Update

MWITE Endowment continues fundraising even as we work to be part of new District. We have raised over $5,000 in two years! We ask you to DONATE NOW.

We are considering making our first award of Funding to a deserving Awardee in 2021. MWITE is working with other Districts as OneITE and as time passes, some of you will be in other Districts, notwithstanding OneITE, for employment, education or retirement. We take a long view that we are all in ITE and our profession - a student from Arkansas may go to college in California, a professor at University of Michigan may want to conduct research at Missouri S&T, and member may relocate and change addresses across globe.

We have online donation capability: http://midwestite.engr.wisc.edu/mwite-endowment-fund/ Donations are tax deductible; Endowment is 501 (c) (3).

Mail Donations to: Mike McCarthy MWITE Treasurer EMCS Inc 1300 W. Canal Street, Suite 200 Milwaukee, WI 53233 Make checks to: Midwestern District ITE with Endowment in memo line.

We ask you consider LONG TERM strategic donations. We are ready for you/your estate to name MWITE Endowment in your Will, Living Trust, and/or Estate Plan and want to discuss those ideas with you or your estate planner/attorney. I have been involved throughout process, recognizing how much ITE has done for my career development, I have pledged $10,000 in cash to MWITE Endowment Fund ($1,000 yr. through 2026) and revised my Living Trust naming MWITE Endowment for an additional $10,000 as part of my estate. MWITE Endowment Committee is ready to discuss your Long Term ideas with you or your estate planner/attorney.

We invite YOUR EMPLOYER to participate. We appreciate that many donate to Section programs and portion of District & International dues are for similar initiatives. We are concerned that funding raised from existing sources is good, but not enough. Please consider asking your employer to consider a donation. THANK YOU!

John P Mick II, PE, F-ITE, F-NSPE jmick@baxterwoodman.com (312) 505-1149 MWITE Endowment Fund Chair

MWITE Endowment Fund Chair

We invite YOUR COMPANY to participate. We appreciate that many donate to Section programs and portion of District & International dues are for similar initiatives. We are concerned that funding raised from existing sources is good, but not enough. Please consider asking your company to consider a donation. THANK YOU!

Awards will be presented in the categories of transportation planning, design, operations, and safety.

District Transportation Professional of the Year Award

The Midwestern District established the Transportation Professional of the Year Award to recognize an individual who has made outstanding contributions to the Midwestern District, their Section, and ITE, or through achievements in the transportation profession.

District Transportation Professional of the Year Award

The Distinguished Member Award is awarded as an honorary designation, presented to a member of the Midwestern District who has provided outstanding and significant contributions to ITE, the District, and their Section/Chapter over a period of many years.

FHWA and ITE Partner to Provide Training to Local and Tribal Transportation Practitioners

Washington, DC -- Through an agreement with the Federal Highway Administration (FHWA), ITE will provide free web-based training modules to local and tribal public agency practitioners in smaller jurisdictions (counties with fewer than 100,000 population; cities, towns and townships with fewer than 50,000 population; all tribal governments) through the ITE Learning Hub. This training, geared toward local agency and tribal government highway maintenance, construction, safety and engineering staff and managers as well as others, will involve numerous critical transportation areas, including transportation fundamentals, intelligent transportation systems (ITS), traffic engineering, and safety.

The goal of this training is to provide local and tribal transportation practitioners with the knowledge to meet the challenges faced by greater mobility and expanded population. To be eligible, transportation professionals must be employed by a public agency:

In a county with fewer than 100,000 inhabitants;
In a city, town, or township with fewer than 50,000 inhabitants; or that is part of a tribal government.

These training modules will offer access to information about foundational and emerging technologies and practices to help these professionals move beyond the status quo and identify new ways of looking at problems and the use of both proven and innovative solutions. There will be no charge for access to these training modules.

To learn more and to confirm eligibility, please contact Kellyanne Broom, ITE Professional Development Manager, at pdinfo@ite.org.
Illinois Section Update

Brian Roberts, Past President, Illinois Section

The Illinois Section has had yet another busy fall and winter of technical and social events!

Recent Events

The November Luncheon featured Bill Eidson, DuPage Division of Transportation, and Andy Hynes, City of Naperville. The event, which was held in Naperville, featured a joint presentation of the integration of both agencies’ traffic management centers.

The Illinois Section Student Affairs Committee hosted a career fair, luncheon, and company visit event for collegiate students on Friday, November 8th. This annual event – previously held in March – is an excellent chance for students and professionals to network about potential career opportunities.

The annual Illinois Section Holiday Party was held in conjunction with WTS, ISPE, and APWA on December 18th at Railcar Club in Chicago. More than 100 people attended with roughly half of the attendees being Illinois Section members.

Illinois Section members recently served as judges for a special transportation award at the annual Future City Competition on January 18th at the University of Illinois at Chicago. The competition sees dozens of teams of 6th through 8th graders competing on developing sustainable city designs of the future.

The Illinois Section’s Annual Banquet was held on January 30th at Chicago Union Station. This commemorative event provides an opportunity for the Illinois Section to present student and section awards, install the new Illinois Section board, and celebrate another successful year with Illinois Section members and other guests. This year’s event also featured a special keynote address by John Yonan, Superintendent of the Cook County Department of Transportation and Highways. Congratulations to all of the award and scholarship winners!

Upcoming Events

The Activities Committee is hosting a luncheon in Schaumburg on March 12th, featuring Brian Kuttab and Eric Ray of IDOT discussing the latest updates to the Jane Byrne Interchange megaproject. Registration is open: https://events.r20.constantcontact.com/register/eventReg?oeidk=a07egxcbt6mc7a870b5&oseq=&c=&ch=
International Vice President Candidate Statement

Jason A. Crawford, P.E., Fellow ITE

j-crawford@tti.tamu.edu 817.462.0534

My vision for sustaining and building on our recent successes is a commitment to delivering compelling member value.

DELIVER COMPPELLING MEMBER VALUE PRODUCTS
- Strengthen member engagement in our technical councils to identify and create new content.
- Promote greater involvement from districts into council products to provide well-rounded technical content.
- Improve existing technical products that have been a foundation of ITE in ways that reflect changes in our profession.
- Create forward-looking resources that can be easily updated with current examples to help practitioners perform their jobs.

NETWORKING
- Welcome and recognize visitors and new members at meetings to encourage their membership.
- Strengthen and promote consistency between ITE’s affinity groups under the OneITE platform so members have clear expectations of their experience across ITE.
- Promote growth of the mentor program across all levels of work experience as we continue to grow throughout our careers.

LEARNING
- Improve marketing of our webinar and podcast channels.
- Identify and pilot new innovative learning channels that best meet the needs of our members.
- Endeavor for topic and speaker diversity in our technical programs to meet the needs for all members.

LEADERSHIP
- Place engaged and aspiring young leaders into task and project leadership opportunities.
- Promote microvolunteering matching enthusiastic members with our many needs.
- Develop a streamlined onboarding experience for newly elected leaders.

Herbert H. Richardson Team Award
Texas A&M Transportation Institute, 2017
Younger Member of the Year, Institute of Transportation Engineers, Texas District, 2002
New Researcher Award, Texas Transportation Institute/Trinity Industries, 1997

Elections close on March 13 at noon Eastern Time
International Vice President Candidate Statement

Beverly Thompson Kuhn, Ph.D., P.E., PMP, Fellow ITE

Transportation plays an important role in the overall prosperity of our communities and their citizens. I believe that ITE can help ensure that our members and our neighbors are not only included, but heard in a meaningful dialogue so that their needs are met and they can realize the future they want for themselves and their families. As transportation professionals, we are an integral part of helping make their success a reality. After 30 years of active involvement in ITE at all levels, I am excited to have the opportunity to serve our membership and lead ITE into the future.

DIVERSITY, COLLABORATION, AND LEVERAGE

EMBRACE DIVERSITY
The differences in our backgrounds enrich our experiences as members of ITE and the communities in which we live and serve. I believe that by embracing all aspects of our diversity, we can offer a more open exchange of ideas and develop solutions that help ensure a resilient, sustainable, and equitable transportation system that is inclusive and responsive to the needs of everyone.

ENHANCE COLLABORATION
Transportation has a broad impact on society, presenting challenges and opportunities for such issues as safety, the environment, health, land use, economic development, freight, housing, and rural livability. Transportation is intertwined with all of these elements. We need a broad understanding of the impacts our decisions have on the overall quality of life and the long-term prosperity of our communities. Expanding our ongoing engagement with other professional organizations and groups can enhance collaboration and offer viable solutions to the challenges we face. These linkages can help us remove barriers, increase flexibility, and identify ways to invest taxpayer dollars more efficiently to improve local communities.

LEVERAGE THE COUNCILS AND COMMITTEES
The ITE Councils and Standing Committees serve a critical role in identifying developing trends and how we as transportation professionals can address these trends. We need to leverage the expertise and leadership of these groups to foster a healthy dialogue among our members from across the globe. This dialogue, combined with the collaborative spirit inherent in ITE, will result in quality products and resources that incorporate new and diverse perspectives to become essential tools for our members and for the overall profession.

ITE ACTIVITIES

- Coordinating Council Chair
- National Operations Center of Excellence Technical Advisory Committee Member
- Diversity and Inclusion Committee Member
- Smart Communities Task Force Member
- Brazos Valley Section President
- Dan Fambro Award Selection Committee
- Traffic Engineering Council Chair
- TSM&O Council Member
- Burton W. Marsh Fellowship Selection Committee

Elections close on March 13 at noon Eastern Time
A joint annual meeting of the *Midwestern District of ITE* and the *Great Lakes District of ITE* will be held at the Holiday Inn Mart Plaza June 3rd – 5th, 2020. The event is anticipated to draw over 350 transportation professionals to Chicago. Sponsorship is a key element to a successful conference; we greatly appreciate your support and participation.

A 14-state area of the central US is covered between the Midwestern District and Great Lakes District. Members include public and private sector transportation professionals and academia. **We look forward to hosting you in Chicago in June!**

**Contact Patrick Jordan at mwglite2020conference+sponsorship@gmail.com or (312) 373-6646 to sign up to become a conference sponsor, to advertise in the program, or for additional information.**

**Platinum – $4,000 SOLD OUT**
- 1 Available
- 1 Full Page Program Ad
- Verbal recognition during opening keynote session
- Company name/logo featured on conference lanyards
- 3 full conference registrations
- Company name/logo featured on conference website

How to Advertise or Post Employment Opportunities

For details on how to include your firm in the MidwesternITE Professional Service Directory contact the District Treasurer at the phone number and e-mail shown on the back page of this newsletter.

For $100 a business logo is published in two successive quarterly editions of MidwesternITE and posted on the District website for 12 months.

The cost for Employment Opportunity postings is paid per issue and varies by size of the advertisement. A full page ad costs $100, a half page is $50, and a quarter page ad is $25. Web only postings are $25 for 6 months regardless of ad size.

Your best value is a 6-month web posting combined with a quarter page ad in one edition, all for $65.

MidwesternITE is distributed to nearly 1,500 transportation professionals and to student chapters at 22 universities throughout 11 states within the District.
